Subject - Proposal of the Town Municipal Council Shikaripur for working out the local Municipal tobl-ctes on Contract basis

I have the honour to state that during the course of my inspection of the Municipal Office held at Shikaripur during the year 44-45 it was observed that the collection of tolls was being worked out on Contract system in violation of the instructions issued by - Government in their Official Memorandum No I 6/61-/1/M1 131-39-3 dated 1st February 1940

With a view to give effect to the instructions - contained in the Government Order Dated 1st February 1940 to workout the tolls on departmental system i e on Annual basis I had issued instructions to the Municipal President to obtain the approval of Government to work out the toll on contract system

It is reported that this aspect of the question was considered by the Municipal Council at its Meeting held on 30-9- 5 when a resolution was passed to the effect that the Municipal Council are strongly opposed to the working of the toll departmentally in the interests of Revenue- Vide Resolution copy enclosed for favour of reference

The Municipal President in supporting the aforesaid resolution of the Municipal Council states that it is not desirable to work out the toll departmentally in the interests of the Municipal Revenue and also consideration

of the fact that there has been gradual increase in the income under Toll Revenue under the present system the income derived under Toll during the years from 40-41 to end of 45-46 (by working it out on contract basis) is noted in the margin*

Year	Income per year
1940-41	Rs 2 880/-
1941-42	3 075/-
1942-43	2 225/-
1943-44	2 600/-
1944-45	2 850/-
1945-46	2 200/-

The Municipal President requests that approval of Government might be obtained to permit the Shikarpur Town Municipal Council to work out the Toll on Contract basis in subsequent years in the circumstances explained above

I agree with the Municipal President and request that approval of Government may kindly be accorded as a special case to permit the Shikarpur Town Municipal Council to work out the Toll at the place on contract basis during subsequent years also in the interest of the finances of the Municipality

The report of the Municipal President received in this connection is forwarded herewith for favour of kind reference
